Subject: EG3601/3602 Internship Modules: Faculty-placement is Open NOW till 16 Feb  
Importance: High

Dear Students,

Industrial internships are encouraged as an important complement to the engineering education. The two internship modules offered by the Faculty of Engineering are:

- EG3601 Industrial Attachment Programme (IAP) at 12MCs for 24 weeks of internship undertaken during semester time
- EG3602 Vacation Internship Programme (VIP) at 6MCs for 12 weeks of internship undertaken during vacation time

**Students with an interest in participating in either of the modules, please read the following information:**

IAP is from 06 July 2015 to 18 December 2015 and VIP is from 11 May to 31 July 2015. All students with an interest in the module should complete the “Faculty-Placement” section; except for students who have already received an internship placement on their own, please apply under the “Self-Initiated” category. Application to the Faculty-placement is open from now till 16 February 2015.

**Guide to application for the Faculty-placement via the Enhancement Programme web-portal:**

a. Please ensure that your resume is prepared before proceeding  
b. Login to the portal at [https://myaces.nus.edu.sg/ugep/studentLogin.html](https://myaces.nus.edu.sg/ugep/studentLogin.html)  
c. Select “Registration” under the programme of your interest  
d. Select the correct application category. For the Faculty-placement category, a total of 4 items must be completed for the application to be registered:
   1. Guidelines Declaration  
   2. Curriculum Vitae  
   3. Job Placements  
   4. Submit Registration  
e. Fill up the online resume template which will act as your Curriculum Vitae  
f. Select Job Placements to view the list of jobs available for your selection  
g. Amendments to the items are allowed throughout the application period; a resubmission is required after any amendment  
h. The status of all the above 4 items must be “Completed” by 16 February 2015.

Please be reminded that students may only apply to EG3601 IAP or EG3602 VIP. Detailed information of the modules can be read at the Enhancement Programme webpage at [www.eng.nus.edu.sg/undergrad/epmc](http://www.eng.nus.edu.sg/undergrad/epmc).

Please contact Mr Scott Pereira (scottpereira@nus.edu.sg) should you have any questions on the IAP.

Thank you.  
Best Regards
