Subject: Reminder: Student Exchange Programme (SEP) Application for AY14/15 Round 1 : 30 Sep to 25 Oct 2013

Dear CEG Students,

We are pleased to inform you that there are 3 new Faculty-Level Partner Universities below from Faculty of Engineering available for selection for SEP AY14/15.

Aalto University
University of Applied Sciences Esslingen
University of Wuppertal

Please refer to the details of the above Partner Universities in OPAS.

Kindly also be reminded that the deadline for SEP application for AY14/15 is 25 October.

Thank you.

Regards,

Subject: Student Exchange Programme (SEP) Application for AY14/15 Round 1 : 30 Sep to 25 Oct 2013

As CEG students are included in some of FoE mailing lists, please ignore any previous/subsequent message(s) on the same subject sent by FoE.

Dear CEG Students,

SoC is administering SEP for CEG. Round 1 of application, for SEP in AY2014/15, will be opened from next Monday 30th September till 25th October 2013.

For information on the list of available places allocated to CEG for Exchange in AY2014/15, please log in to Overseas Programmes Application System (OPAS) via https://aces01.nus.edu.sg/VOPSEP/Login from 30 Sept onwards.

Places that are not reflected in OPAS mean they are unavailable. FYI, the quota allocated to CEG is separated from that to SoC or FoE. You would not be able to apply for SoC or FoE places.
Please submit your applications online at https://aces01.nus.edu.sg/VOPSEP/Login

(1) Eligibility: Minimum CAP of 3.0 (refer to: http://www.eng.nus.edu.sg/sep/eligibility.htm)

(2) Completed AT LEAST 2 semesters. CEG students are recommended to go for SEP in year 3, semester 2 (i.e. apply in Year 2, not Year 1) as a) numerous core modules are offered in Year 2 and b) CG3002, CEG capstone project, is only offered in sem 1. Students who wish to go for SEP in sem 1 (for one reason or another), will have to do CG3002 with CG4001 FYP in Year 4, sem 1 (else delay graduation).

(3) Study Plan: Submit online for the first 3 choices of universities

(4) Partner University Websites:

- University-wide SEP Partner Universities:

- Faculty-wide SEP Partner Universities:
  http://www.eng.nus.edu.sg/sep/universities.htm

You may list up to 5 choices but do consider the following (in no particular order) prior:
1. Are there suitable modules to map back?
2. Is the Academic calendar of the partner University suitable for you?
3. Will there be potential problem(s) with the language of instruction?
4. Will you be able to finance the SEP stint comfortably?

Other relevant Websites:
- Please take the time to read through ECE / FoE / SoC SEP information sites (at least 1 of 3) before submitting an application. The links are provided via http://www.ceg.nus.edu.sg/sep
- International Relations Office’s SEP URL: http://www.nus.edu.sg/iro/sep/out/before/index.html
- Registrar’s Office’s SEP URL: http://www.nus.edu.sg/registrar/edu/UG/sep-general.html

Applicants may be required to attend an interview, which will be scheduled on the week starting 18th November 2013. An admin fee of $200 will be imposed for any withdrawal from SEP once you have accepted the internal offer. You are reminded to consider carefully before accepting the internal offer. You are reminded to consider carefully before application.

You can email your enquiries to socsep@comp.nus.edu.sg
