Subject: Student Exchange Programme (SEP) Application for AY14/15 Round 2 : 23 Dec to 7 Feb 2014

As CEG students are included in some of FoE mailing lists, please ignore any previous/subsequent message(s) on the same subject sent by FoE.

Dear CEG Students,

SoC is administering SEP for CEG. Round 2 of application, for SEP in AY2014/15, will be opened from next Monday 23rd December till 7th February 2014.

**Note: Round 2 is the last round of application for SEP AY2014/15.

For information on the list of available places allocated to CEG for Exchange in AY2014/15, please log in to Overseas Programmes Application System (OPAS) via [https://aces01.nus.edu.sg/VOPSEP/Login](https://aces01.nus.edu.sg/VOPSEP/Login) from 23rd Dec onwards.

Places that are not reflected in OPAS mean they are unavailable. FYI, the quota allocated to CEG is separated from that to SoC or FoE. You would not be able to apply for SoC or FoE places.

Please submit your applications online at [https://aces01.nus.edu.sg/VOPSEP/Login](https://aces01.nus.edu.sg/VOPSEP/Login)

2. Completed AT LEAST 2 semesters. CEG students are recommended to go for SEP in year 3, semester 2 (i.e. apply in Year 2, not Year 1) as a) numerous core modules are offered in Year 2 and b) CG3002, CEG capstone project, is only offered in sem 1. Students who wish to go for SEP in sem 1 (for one reason or another), will have to do CG3002 with CG4001 FYP in Year 4, sem 1 (else delay graduation).
3. Study Plan: Submit online for the first 3 choices of universities
4. Partner University Websites:
   [http://www.eng.nus.edu.sg/sep/universities.htm](http://www.eng.nus.edu.sg/sep/universities.htm)

You may list up to 5 choices but do consider the following (in no particular order) prior:
1. Are there suitable modules to map back?
2. Is the Academic calendar of the partner University suitable for you?
3. Will there be potential problem(s) with the language of instruction?
4. Will you be able to finance the SEP stint comfortably?

Other relevant Websites:
   - Please take the time to read through ECE / FoE / SoC SEP information sites (at least 1 of 3) before submitting an application. The links are provided via [http://www.ceg.nus.edu.sg/sep](http://www.ceg.nus.edu.sg/sep)
   - Registrar’s Office’s SEP URL: [http://www.nus.edu.sg/registrar/edu/UG/sep-general.html](http://www.nus.edu.sg/registrar/edu/UG/sep-general.html)
Applicants may be required to attend an interview, which will be scheduled on the week starting 24th February 2014. An admin fee of $200 will be imposed for any withdrawal from SEP once you have accepted the internal offer. You are reminded to consider carefully before accepting the internal offer. You are reminded to consider carefully before application.

Thank you.
