Subject: Student Exchange Programme (SEP) Application for AY16/17 Round 3 (FINAL ROUND): 20 May 2016 - 10 June 2016 

Dear CEG Students, 

Please be informed that SoC is administering SEP for CEG, and that we will be having round 3 (Final application round) for SEP in AY2016/17. Application will open from 20 May 2016 to 10 June 2016.

1. **SEP Eligibility**

The general guideline is that students should have minimum CAP of 3.0 and completed at least two semesters of studies. Please refer to: [http://www.eng.nus.edu.sg/sep/eligibility.htm](http://www.eng.nus.edu.sg/sep/eligibility.htm) for the detail description of SEP eligibility.

*Note: CEG students are recommended to go for SEP in year 3, semester 2 (i.e. apply in Year 2, not Year 1) as: -

a) numerous core modules are offered in Year 2 and
b) Students (from AY14 intake & after) who wish to go for SEP in semester 2, AY16/17, will have to plan for 6-months IA in semester 1, AY16/17. While CG3002 (CEG capstone project) will be offered in both semesters in AY16/17, it is likely such students have to do CG3002 with CG4001 FYP in Year 4, Semester 1 (else delay graduation).*

2. **SEP Places Available for CEG Students**

For information on the list of available places for Round 3, please refer to the attached file (ref: CEG_SEP Round 3 Balance Seats.pdf).

Please take note of the following:

- Places that are not reflected in OPAS mean they are unavailable.
- The application dates for some Pus have already passed, therefore please refer to the attached spreadsheet for the list of PUs that are available for application.
- The quota allocated to CEG is separated from that to SoC or FoE. You would not be able to apply for SoC or FoE places.
- You can only apply to attend SEP in **AY2016/2017, Semester 2**. Reason being, the Partner Universities’ application deadlines for AY2016/2017, Semester 1 have already passed.

3. **How to apply**

Applications are to be submitted online via [https://myaces.nus.edu.sg/VOPSEP/Login](https://myaces.nus.edu.sg/VOPSEP/Login). Please take the time to read through SoC / ECE / FoE / IRO SEP information sites (at least ONE) before submitting an application. The links are provided via [http://ceg.nus.edu.sg/sep/](http://ceg.nus.edu.sg/sep/).

To understand more on our partner universities, you can visit the websites below:

1. University-wide SEP Partner Universities:
2. Faculty-wide SEP Partner Universities:
   [http://www.eng.nus.edu.sg/sep/universities.htm](http://www.eng.nus.edu.sg/sep/universities.htm)
You may list up to 5 choices of partner universities but do consider the following (in no particular order) prior:

a) Are there suitable modules to map back?
b) Is the Academic calendar of the partner University suitable for you?
c) Will there be potential problem(s) with the language of instruction?
d) Will you be able to finance the SEP stint comfortably?

Do note that you have to submit your study plan for all of your five choices of universities.

Applicants may be required to attend an interview, and you will be informed of the details in due course. An admin fee of **$300** will be imposed for any withdrawal from SEP once you have accepted the internal offer. Therefore, you are reminded to consider carefully before accepting the internal offer.

Please do not hesitate to contact me at comwpd@nus.edu.sg.

**Note:** As CEG students are included in some of FoE mailing lists, please ignore any previous/subsequent message(s) on the same subject matter sent by FoE.

**Best Regards**
